

A Message from the Education Director

I am delighted to be the Education Director of Mary Queen of Peace Catholic Campus in Chilomoni. It is a truly wonderful opportunity to be able to open and lead a brand new school in our lovely city of Blantyre. When I was ordained way back in 1998, I had no idea that Our Father would have such an exciting challenge in store for me. I am really looking forward to working with an outstanding team of highly motivated and dedicated teachers. I am also eager to oversee the delivery of an inspiring curriculum to all of our students. Before arriving here, I was the headteacher at James Chiona Catholic High School in Limbe. I arrive here with high expectations of behaviour, diligent study and attention to detail. At the same time, I will develop an atmosphere of joy and well being across the whole school.

I am honoured to be your new Education Director.

Fr. Felix Nanyallo.

Carlo Acutis Catholic High School Chilomoni

Opening to
Form 1 only
January 2022

Carlo Acutis Catholic High School

As a Catholic school, we will embrace all the traditions of the Catholic Church. Students will be expected to participate in all activities - religious and otherwise. Non-Catholics are most welcome to apply to the school. By creating a teaching and learning environment founded on love, care and respect, we aim to ensure that all students will feel safe and enjoy being at our school.

This brand new school offers places to secondary students who will be entering Form 1 in January 2022. Over the following years, the school will grow to accommodate all secondary years to MSCE.

Our team of expert dedicated teachers will deliver the secondary curriculum to classes of just 30 pupils. We aim to provide learning through project work, through activities and through hands-on practical investigations. Emphasis will always be given to speaking English, reading, comprehension, handwriting and numeracy skills in all subject areas.

School Ethos

Our motto is "For the Greater Glory of God". With love of God and respect for all things, we hope that students leaving Carlo Acutis Catholic High School will continue their education and become exemplary role models for our country.

Subjects Offered

On opening, Carlo Acutis High will be offering tuition to JCE in the following subjects : English, Chichewa, Mathematics, Agriculture, Physics, Chemistry, Biology, Bible Knowledge, History, French Geography and Computer Studies. We plan to offer extra subjects MSCE as the school grows.

Special Educational Needs

Carlo Acutis Catholic High School aims to be inclusive of all students, including anyone with special educational needs. For example the school has wheel chair access to all rooms. If your child has special educational needs, it may be possible for them to attend our school. Please arrange a meeting with the principal by calling or writing to the school so that we can evaluate the specific needs of your child.

Applying to Carlo Acutis Catholic High School.
